

TOPPAN USA to exhibit at GLOBAL POUCH FORUM 2019 in CHICAGO

Chicago, June 7, 2019— **Toppan USA**, a leading transparent high barrier film manufacturer will be exhibiting at GLOBAL POUCH FORUM 2019 in Chicago.

TOPPAN
TOPPAN USA, INC.

Toppan USA will be displaying the latest “GL FILM” lineups that includes the **World’s First Aluminum Foil-Equivalent PE-based Transparent Barrier Film**. It has the highest level oxygen and moisture barrier performance and is recyclable in the existing system.

Toppan will also be displaying **BOPP based Transparent High Barrier Films**. Both films will be launched soon.

Also, **Pouchfill Packaging**, a Daytona, FL based contract packaging company, a subsidiary of Toppan USA and Mitsui Plastics will be exhibiting next to Toppan USA. Pouchfill will display its contract packaging solution which will start the commercial production soon. ■

GLOBAL POUCH FORUM 2019
